## Comments.

- (1) The billets on Marienstrasse were vacated in March 1950 and had not been reoccupied by April 1950. See [REDACTED] Prior to March 1950, 60 to 70 soldiers assigned to border guard duty had been quartered there. See [REDACTED]. Subject report states that the billets were again occupied by troops employed in border guard duty. They probably belong to a component of the 39th Gds Mtz Rifle Div. 25X1A
